ABOUT THIS AIRCRAFT

SN: 550-0267 Reg: N910RB

The 1981 Citation II (N910RB) is a well-equipped light jet offering performance, comfort, and efficiency. Featuring upgraded Garmin avionics with WAAS/LPV, ADS-B compliance, and Honeywell SPZ-500 IFCS, it's ready for modern airspace. The interior, refurbished in 2016, seats eight in an executive layout with cream diamond-stitched leather, rich burled wood, and a belted aft lavatory. Its exterior, also refinished in 2016, shines in white with red and gold accents. With thrust reversers, freon air conditioning, and extended baggage mods, this Citation II is an ideal blend of classic reliability and updated capability.

We invite you to schedule your visual inspection today.
